About the job

The Cloud Engineer will plan, implement and configure our Azure Environment. Projects will involve using technologies such as Azure Web Apps, Azure Active Directory, Azure SQL PaaS Services and Virtual Networks. This role is critical to streamlining processes and maintaining a production environment that keeps our business humming. Minimum five years experience as a Systems Engineer is required, including extensive experience with Cloud technology and Windows Server operations systems.

What You Will Be Doing

- Implement and Configure Virtual Networks, NSGs, Route Tables, Virtual Network Gateways and ExpressRoute
- Implement and Configure Azure Web Apps and Azure Kubernetes Service
- Implement and Configure Azure Functions & Logic Apps
- Implement and Configure Azure storage solutions.
- Implement and Configure Azure SQL PaaS services
- Plan, document and execute on complex projects, including the planning, implementation and growth of our Azure cloud presence
- Participate in rotating on-call coverage or emergency response as needed.

Must Have Qualifications

WHAT WE NEED FROM YOU

- 3+ years experience as a Systems Engineer
- Extensive experience with Cloud technologies (Azure/AWS) (Minimum 2+ years in Azure)
- Extensive experience with Windows Server operating systems
- 2+ years of relevant experience working directly with Azure IaaS, PaaS and SaaS solutions
- Relevant experience with software defined networking and have a good understanding of securing network traffic

- Experience with Azure DevOps, Azure Active Directory, Azure AD Connect and Privilege Identity Management
- Powershell scripting
- Computer-related degree or equivalent experience

Nice To Have Qualifications

- Mortgage and/or Financial Services industry experience
- Any IT industry-recognized certifications (MCP, MCSE, VCP, etc.)

THE PLACE & THE PERKS

Ready to join thousands of talented team members who are making the dream of home ownership possible for more Americans? It's all happening on UWM's campus, where our award-winning workplace packs plenty of perks and amenities that keep the atmosphere buzzing with energy and excitement.

It's no wonder that out of our six pillars, People Are Our Greatest Asset is number one. It's at the very heart of how we treat each other, our clients and our community. Whether it's providing elite client service or continuously striving to improve, our pillars provide a pathway to a more successful personal and professional life.

From the team member that holds a door open to the one that helps guide your career, you'll feel the encouragement and support on day one. No matter your race, creed, gender, age, sexual orientation and ethnicity, you'll be welcomed here. Accepted here. And empowered to Be You Here.

More Reasons You'll Love Working Here Include

- Paid Time Off (PTO) after just 30 days
- Additional parental and maternity leave benefits after 12 months
- Adoption reimbursement program
- Paid volunteer hours
- Paid training and career development
- Medical, dental, vision and life insurance
- 401k with employer match
- Mortgage discount and area business discounts
- Free membership to our large, state-of-the-art fitness center, including exercise classes such as yoga and Zumba, various sports leagues and a full-size basketball court
- Wellness area, including an in-house primary-care physician's office, full-time massage therapist and hair salon
- Gourmet cafeteria featuring homemade breakfast and lunch
- Convenience store featuring healthy grab-and-go snacks
- In-house Starbucks and Dunkin
- Indoor/outdoor café with Wi-Fi

DISCLAIMER

All the above duties and responsibilities are essential job functions subject to reasonable accommodation and change. All job requirements listed indicate the minimum level of knowledge, skills and/or ability deemed necessary to perform the job proficiently. Team members may be required to perform other or different job-related duties as requested by their team lead, subject to reasonable accommodation. This document does not create an employment contract, implied or otherwise. Employment with UWM is "at-will." UWM is an Equal Opportunity Employer. By selecting "Apply for this job online" you provide consent to UWM to record phone call conversations between you and UWM to be used for quality control purposes.
