GUIDELINES FOR SHIPPING SERVICE AND PACKAGING

- For Security reasons and to prevent the loss of any of your documents, the use manila envelopes is not recommended for sending your documents to the VAC. It is highly recommended to use a FedEx Pak or FedEx package to mail your documents to the VAC
- Do not use wrong packaging of FedEx courier such as a box or tube and ensure the correct address is stated on the address labels. Any address correction charges levied by FedEx will be transferred to the applicant.
- Please ensure that the package is thoroughly sealed before it is delivered to the FedEx agent.
